*Dance campers: bring jazz, ballet, or tennis shoes to dance in.

*If you are allergic to bee stings, please bring your Epi-pen with you and check it into the nurse, along with other medications.

ELECTIVES

Percussion: Group elective where we will use various percussive instruments to create and learn a fun and energetic performance.

Guitars!: Acoustic, electric, bass or ukelele. Whether you have been playing guitar since you could tie your own shoes, or you've never played before, this is the place to take your skill to a new level.

Worship Band: Come to this elective if you're interested in learning what it's like to serve on your worship team at church or youth group. We'll talk about what it's like to plan a worship set and we'll also prepare 1-2 songs. Those who sign up should feel confident playing their instrument/singing independently and in front of people and should also be able to read a chord chart. Sign up if you can play acoustic guitar, electric guitar, bass, piano/keyboard, drum set, or vocals.

Spoken Word: Poetry is a beautiful thing, not only can it give us a glimpse of ones life, feelings and thoughts, it can also help us communicate important messages. There is not a message more important than the Word of God. Learn to relevantly and effectively communicate the Gospel through the art of Spoken Word Poetry.
